Job Description

The Department of Ophthalmology and Visual Sciences at the University of Kentucky, College of Medicine is seeking a Licensed Optometrist for our Ashland, KY clinic to meet the medical and academic needs of the department. The successful candidate will join a group of physicians that are committed to excellence in clinical care, instruction, scholarly activity and professional development in a robust and growing practice across eastern and southeastern Kentucky.

The primary responsibility of the individual in this position is to enhance the clinical practice of the Department of Ophthalmology. This person will be responsible for providing direct patient care. The individual in this position is expected to provide, develop and maintain clinical services.

Please include an updated CV when applying to this position. Applications will be reviewed immediately and continue until the position is filled.
