Job Description

The University at Buffalo Jacobs School of Medicine and Biomedical Sciences, Department of Medicine, [Division of Hematology/Oncology](#), is seeking a full-time **Academic Scholar** for an **Assistant/Associate/Professor** position to serve at our major affiliated teaching hospitals and ambulatory settings. The candidate will help to lead the genitourinary malignancies clinical/research program. The genitourinary malignancies program encompasses a robust, growing, multidisciplinary team focused on new drug development.

Overall duties include serving as attending physician for inpatient consultations and ambulatory services, tumor board participation, teaching students, training residents and supervising of fellows, and building a clinical trial portfolio. Participation in all academic activities of the Division and the
