Job Description

The Jacobs School of Medicine and Biomedical Sciences, Department of Radiology, is seeking fill a non-tenure faculty position in the rank of Clinical Assistant Professor. Teaching responsibilities will include the School's medical students and radiology residents in ambulatory, inpatient and didactic settings. The successful candidate will join the growing Department of Radiology which re-established its residency program in 2017 and saw its first residents arrive in July 2020.

Our Mission is to advance health and wellness across the life span for the people of New York and the world through the education of tomorrow's leaders in health care and biomedical sciences, innovative research and outstanding clinical care. More information can be found at <http://medicine.buffalo.edu/>

The Department of Radiology recognizes the importance of diversity and inclusion in every aspect of medical education and practice. We believe diversity of background, perspective, and life experience
