Job Description

The Department of Internal Medicine at the University of Kentucky is seeking a faculty member to primarily focus upon the care of patients with cardiovascular diseases within the Division of Cardiovascular Medicine at the University of Kentucky Medical Center. This position will have regular assignments in the faculty rotations to cover inpatient services, interpretation of echocardiograms, nuclear cardiology, and other procedures including outpatient cardiology clinics. Most all of these activities will include clinical care teaching activities with medical students, residents, and fellows.

Professional Development activities such as attending continuing education meetings, workshops, lectures, and other activities will be necessary to participate in the various missions of the Department, the College, and the University.
