Job Description

The [Department of Ophthalmology](#), Jacobs School of Medicine and Biomedical Sciences, SUNY at Buffalo, is looking to recruit an Associate or Full Professor on a tenure-track. The ideal candidate will have 2 or more NIH R01, or equivalent, forward-going extramural grants relevant to eye/vision research. Preference will be given to candidates investigating human retinal degenerations, especially using 3D iPSC models. Primary responsibility is to develop and maintain a successful basic and/or translational research program; secondary responsibilities include teaching (graduate level cell/molecular biology or biochemistry) and service.
