areas of the Emergency department.

We are a growing division with 11 faculty members with an ACGME accredited fellowship program. Our recently new 28 bed ED (19 exam; 5 kids express & 4 trauma) serves 45,000 pediatric patients per year, has an operational Helipad and is the only level 1 pediatric trauma center in Western New York.

About The University at Buffalo

The University at Buffalo (UB) #ubuffalo is one of America's leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact. UB is a premier, research-intensive public university dedicated to academic excellence. Our research, creative activity and people positively impact the world.

The Jacobs School of Medicine and Biomedical Sciences at the University at Buffalo has recently received the CTSA award and is located on the Buffalo Niagara Medical Campus. The central multidisciplinary clinical environment provides access to high-quality care, including innovations in preventative medicine, and supports critical research programs. To learn more, please visit www.medicine.buffalo.edu

UB seeks candidates whose experience, teaching, research, or community service has prepared them to contribute to our commitment to diversity and excellence. The University at Buffalo is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, or protected veteran status.
