The University at Buffalo Jacobs School of Medicine and Biomedical Sciences, [Department of Medicine](#), Division of Hematology/Oncology, is seeking full time Academic Scholars for an Assistant/Associate/Professor position to serve at our major affiliated teaching hospitals and ambulatory settings. The candidate will help to build the new clinical and research program for benign hematology and hematological malignancies.

Overall duties include:

- serving as attending physician for inpatient consultations and ambulatory services,
- tumor board participation,
- teaching students,
- training residents and supervision of fellows, and
- building a clinical trial portfolio.

Participation in all academic activities of the Division and the Department is required.

About The University at Buffalo

The University at Buffalo (UB) #ubuffalo is one of America's leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact. UB is a premier, research-intensive public university dedicated to academic excellence. Our research, creative activity and people positively impact the world. Like the city we call home, UB is distinguished by a culture of resilient optimism, resourceful thinking and pragmatic dreaming that enables us to reach others every day. Visit our website to learn more about the [University at Buffalo](#).

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.
