Penn State Health Milton S. Hershey Medical Center is recruiting a Division Chief in the Department of Pediatrics, Division of Pediatric Gastroenterology.

Opportunity Highlights

- Join a growing team of 6 full time physicians, 2 full time nurse practitioners, and a full complement of ancillary staff including 2 GI nurses with one specialized in IBD, feeding therapists, social workers, dieticians, and administrative staff
- High quality academic and clinical program
- Academic appointments at the Associate or full Professor rank are based upon qualifications
- Nationally recognized and fully supported feeding clinic that includes outpatient feeding therapy, nutritionists, and psychologists
- Infusion Center in the Children's Hospital for easy administration of biologics for our IBD patients
- Healthy work/life balance

Requirements

- Medical degree – MD, DO, or foreign equivalent
- Fellowship trained, BC/BE in Pediatric Gastroenterology
- Minimum 5 years pediatric gastroenterology experience
- Eligible for the rank of Associate Professor or higher
- Proven leadership experience in an academic healthcare environment
- A strong commitment to patient care, medical student and resident education and research/scholarly activity is necessary

Penn State Health

- Penn State Health is a multi-hospital health system serving patients and communities across central Pennsylvania.
- The Children's Hospital celebrated a new era of patient and family centered care with the completion of a three-floor vertical expansion in October 2020 to meet the needs of children and families in central Pennsylvania who count on us for care. As the only children's hospital between Pittsburgh and Philadelphia fully equipped to treat the most severely ill children, Penn State Health Children's Hospital expanded our role as the region's pediatric health care leader.
- Among the first hospitals in the nation to be named a Level 1 Children's Surgery Center by the American College of Surgeons Children's Surgery Verification Program.
- We are the only medical facility in Pennsylvania to be accredited as a Level 1 pediatric trauma center and Level 1 adult trauma center.
