**Job Description**

The University of Kentucky College of Medicine is seeking an Assistant Professor in Neurology who will provide care for patients (adults and/or children) with neurological illnesses.

Responsibilities may be adjusted when attending physician on the inpatient services. The inpatient services can include stroke, Neurology, and other inpatient services or outreach facilities.

This position will also provide supervision for residents and medical students in all clinical settings (inpatient and outpatient). The Assistant Professor will also participate in clinical research and other administrative activities as approved by the Chair, and serve on appropriate Department, College, Hospital, or University committees.

Along with the application, applicants should submit a Curriculum Vitae. Applications will be reviewed as received. This position will remain open until filled.
