### Job Description

The University of Kentucky, Department of Internal Medicine, is seeking a qualified physician to join our new Frankfort-based offsite clinic. UK HealthCare is working to provide primary care services to faculty, staff and patients closer to home. This clinic will serve as an extension of our General Internal Medicine clinic.

Care will be provided in a team-based model with APPs and a physician collaborating to care for a panel of patients. Additional responsibilities can include participation in community outreach programs and health education initiatives and participation in our mission of educating healthcare professionals for the state of Kentucky.

Qualified applicants must be board eligible or board certified in internal medicine, capable of fulfilling

the requirements of a primary care physician, and committed to upholding the values and standards of the University of Kentucky and the Department of Internal Medicine.

We offer competitive compensation based on rank and experience and an excellent benefits package that includes health, dental and life insurance; disability and malpractice insurance; a generous retirement plan; continuing education; paid time off and more.

Please include cover letter and CV along with application. The review of applications will begin immediately and will continue until the position is filled.
