Job Description

The Department of Neuroscience in the College of Medicine, University of Kentucky, seeks a scientist with a strong commitment to teaching and scholarly activity in the educational field to fill a tenure track position in the Regular Titles Series at the assistant/associate/full professor level. The individual should have a Ph.D. or M.D. and formal education in all of the subdisciplines of neuroscience. The primary responsibilities will be teaching, mentoring, research, and service missions of the Department and College. You will be expected to contribute to teaching, mentoring, research, and service as approved by your chair. The ideal candidate would have experience in neuroscience, be expected to pursue scholarly activity in the field of neuroscience, with a particular focus on central nervous system/brain metabolism, and to publish in peer-reviewed journals.

Interested individuals should send curriculum vitae, three references, examples of journal papers and statement of research interests. If offered this position, you will be required to pass a pre-employment
