Job Description

The University of Kentucky is currently seeking a faculty member in the Department of Adolescent Medicine, to provide clinical services at the University of Kentucky Medical Center and the Kentucky Children's Hospital. The responsibilities of this position will be to provide exemplary, state-of-the-art, compassionate and cost-effective care to patients in the department.

This position will also participate in the Department's courses and resident training, supervise house staff assigned to the service during these rotations, and medical students providing services in the outpatient clinics. The faculty member will have an active role in the College of Medicine, and is expected to lecture and participate in small group and individual student instruction. In addition, this position is expected to engage in professional development.
