**Job Description**

The Jacobs School of Medicine (JSMBS) and Biomedical Sciences, University at Buffalo (UB), State University of New York, Division of Endocrinology, Diabetes and Metabolism seeks qualified clinical educators for full-time positions based at our ambulatory and major affiliated teaching hospitals.

Qualified candidates will be appointed at the Assistant/Associate Professor level.

Overall duties include serving as attending physician for inpatient and ambulatory services, consultation and follow-up of patients; teaching students, training residents and supervision of fellows. Participation in clinical and/or translational research is encouraged.

This is an opportunity to join an organization focused on the future of medicine- one whose physicians and advanced practitioners partner with their patients to ensure a higher state of care and better
