The Department of Orthopaedic Surgery is seeking an orthopaedic surgeon to join our Reconstruction Fellowship program.

This position, with a Lecturer ranking, will work on the Orthopaedic Reconstruction Service. The person in this position will serve as a Reconstruction Fellow for 1 year starting August 1, 2019 to July 31, 2020.

Candidates should be board certified or board eligible, and demonstrate excellence in teaching, research activities, and patient care. Primary responsibilities will include patient care, resident and medical student education, and the opportunity for extensive clinical and basic science research and collaboration.

Please include a CV along with application. Applications will be reviewed immediately and will continue until filled.
