Job Description

The University of Kentucky is seeking a clinical faculty member to provide pediatric critical care specialist coverage for the Pediatric Intensive Care Unit (PICU) at Kentucky Children's Hospital as well as for the pediatric sedation service.

The faculty member appointed to this position will be responsible for supervision of clinical services in the pediatric intensive care unit, as well as supervise sedation services for children who are undergoing procedures. The faculty member will also participate in the teaching activities of the division as well as in clinical research projects. Bedside teaching will be integrated with clinical responsibilities.

Kentucky Children's Hospital has Eastern and Central Kentucky's only Level I pediatric trauma center, Level IV newborn (neonatal) intensive care unit and pediatric intensive care unit. The hospital has more than 30 advanced sub-specialty programs, such as pediatric oncology and pediatric surgery.
