appointment to the University at Buffalo Jacobs School of Medicine and Biomedical Sciences “Jacobs School”

- Practice at our state-of-the-art pediatric specialty outpatient center with inpatient and procedural duties
- Strong community demand for GI consultation
- Cultivate and facilitate innovative clinical and QI research
- Supervise staff in the division to assure that care for children with pediatric intestinal, hepatic and pancreatic problems is integrated, i.e. assures coordination of care provided through primary care providers, home care companies, diagnostic testing performed at Kaleida Health facilities, and care provided directly through members of the division provided at Kaleida Health facilities (including both inpatient and outpatient care). Most patients followed through the division have complex, chronic problems
- Maintain excellent relationships with Kaleida Health-based home care providers through referrals and prompt processing of all required documentation
- Assure excellence of all testing services offered through the division
- Maintain excellence in the division in education and research
- Maintain community presence through participation in the parent support group for children with motility disorders and inflammatory bowel disease
- Is available as an advocate to the community for pediatric gastroenterology problems (e.g. to the media when current issues arise)
- Supervise all quality assurance in the Division, including active surveillance of clinical care activities and division-wide quality improvement
- Assure that clinical documentation is consistent with HCFA guidelines
- Prepare all documents necessary for JCAHO reviews
- Supervise all staff in the division. Performs yearly job evaluations
- Add value by advancing medical science through clinical research trials
- Add value by teaching medical students, residents and the community (yearly Grand Rounds)

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.
