Posted May 1, 2019, set to expire Sep. 2, 2019

- A. Board certified by the American Board of Radiology and fellowship trained in Neuroradiology
- B. Eligible for licensure in the State of Ohio
- C. Certificate of added quality (CAQ) certified or eligible in neuroradiology
- D. Interactive consultation service supporting clinicians utilizing neuro-imaging from area facilities, along with consultation services for outside imaging studies
- E. Member of American Society of Neuroradiology with active participation at annual meetings including presenting research in areas of neuroradiology is encouraged but not required.

The Chief of the Division of Neuroradiology has the responsibility of building an academic division of neuroradiology at the University of Toledo College of Medicine and Life Sciences in affiliation with the ProMedica Health System. He/She should also have a demonstrated track record of leadership and academic productivity. Qualified candidates will have credentials and experience at the level of an Assistant Professor, Associate Professor or Professor. He/She will promote education and research collaborations across the institution and community, attract and develop diverse and qualified faculty, oversee clinical and administrative activities of the neuroradiology program, and enhance the education of medical students, residents, and fellows. The Chief will be responsible for academic activities including teaching of medical students, residents and fellows; research; and related service duties. Leadership and communication skills are important, and there are great opportunities for innovative, educational, as well as, translational or basic research at The University of Toledo. An attractive competitive salary and startup package is available for protected time.

The University of Toledo Medical Center maintains a fertile environment for career advancement. Dramatic growth is anticipated as the University forms a major academic affiliation with the region's ProMedica Health System. Professional development in the disciplines of patient care, teaching, and research is strongly supported. Our physicians benefit from competitive salaries and a generous benefit package.

Toledo is Ohio's fourth largest city with a metro area population of 651,500. It provides important small town advantages such as convenience and a low cost of living. At the same time it boasts a fantastic zoo, world-class art museum, excellent symphony, and minor league sports. The Maumee River and Lake Erie provide ample water sports. Schools are excellent and diverse.
