Job Description

The University of Kentucky Department of Neurology is seeking a board eligible/board certified Neurologist with clinical and research interests in vascular neurology to meet the medical and academic needs of the UK Department of Neurology. The candidate must be committed to clinical care, instruction, and scholarly activity, and academic track and tenure status is dependent upon the candidate's experience and qualifications.

The primary responsibility of the individual in this position is to enhance the vascular practice at the University of Kentucky. They will also be responsible for providing direct patient care, serving as an attending physician, supervise students and residents assigned to the neurology department. The individual in this position is expected to provide, develop, and maintain clinical services as well as develop academic pursuits in the field.
