Job Description	

The Department of Orthopaedic Surgery is seeking an orthopaedic trauma surgeon to join our two current fellowship-trained orthopaedic traumatologist at an academic Level I trauma center. This position, with a Lecturer ranking, will work on the Orthopaedic Trauma Service. The person in this position will serve as a Trauma Fellow for one year beginning August 1, 2022 and ending July 31, 2023.

Candidates should be board certified or board eligible, and demonstrate excellence in teaching, research activities, and patient care. Primary responsibilities will include patient care, resident and medical student education, and the opportunity for extensive clinical and basic science research and collaboration.

Please include a CV along with application. Applications will be reviewed immediately and will continue until the position is filled.
