**Job Description**

The Department of Ophthalmology and Visual Sciences at the University of Kentucky is recruiting an Instructor for a Medical Retina fellowship. The desired individual must be board-eligible or board-certified in Ophthalmology. This position will function as a full-time faculty member and attending physician primarily in the Department of Ophthalmology.

This position will have an opportunity to participate in research, teaching, career development and service activities, as well as departmental activities such as faculty meetings, research and teaching conferences, and other committees as requested.

Please include a Curriculum Vita along with application. Applications will be reviewed immediately and continue until the position is filled.
