Job Description

The University of Kentucky College of Medicine is currently seeking a physician faculty member to enhance clinical practice for the pediatric surgery service. The qualified candidate must be committed to clinical care, instruction, and scholarly activity, and will be responsible for providing direct patient care, serving as an attending physician for on and off-site locations, supervising students and residents assigned to the pediatric surgery service, and serving on applicable University hospital and College of Medicine committees as assigned.

The individual in this position is expected to provide, develop, and maintain clinical services as well as
