Job Description

The University of California San Francisco Fresno Medical Education Program (UCSF Fresno), Central California Faculty Medical Group (CCFMG) and Community Regional Medical Center (CRMC) are seeking candidates for full or part-time faculty positions in General Adult Psychiatry. We are recruiting for hospital and outpatient positions working with CRMC, the Fresno County Department of Behavioral Health and/or the faculty practice site. Candidate must be board certified or board eligible in adult psychiatry (American Board of Psychiatry & Neurology) by the date of hire. California licensed or eligibility to obtain a California license is required. CRMC and the Fresno County Department of Behavioral Health are core training sites for the UCSF Fresno Psychiatry Residency Program, along with numerous other specialties. Faculty appointment with UCSF will be commensurate with the candidate's skills and experience. With a faculty appointment, supervision and teaching of both medical students and residents will be expected.

The program is based in Fresno, California, a city that combines a high standard of living with a low cost of living. The result is a quality of life uniquely Californian, yet surprisingly affordable. Limitless recreational opportunities and spectacular scenery are accessible in a community with abundant

affordable housing. While there is much to see and do in Fresno, the city is ideally located for fast, convenient getaways to the majestic Sierra (just 90 minutes away) as well as the scenic Central Coast, (just 2 1/2 hours away). Fresno is the only major city in the country with close proximity to three national parks, including the renowned Yosemite National Park. Fresno is uniquely placed within a short drive of both San Francisco (just 3 hours away) and Los Angeles (just 3 1/2 hours away), making it easy to enjoy the art, food, and nightlife that both cities have to offer.
