- Committed to developing world-class research and providing outstanding health care education
- To pioneer the country's health sciences education and reform
- To attract and develop healthcare leaders to advance health sciences locally and globally.

Our strategic partner within Vingroup is Vinmec Healthcare System - the leading private, not-for-profit health care provider in Vietnam, which currently encompasses 7 hospitals and 4 outpatient clinics throughout Vietnam (with more than 1,600 beds), together with its medical research institutes and centers. Vinmec is the only healthcare provider in Vietnam offering 2 hospitals with Joint-Commission International (JCI) accreditation (in Hanoi and HoChiMinh city). The Vinmec Times City in Hanoi is our primary teaching hospital for College of Health Sciences. It received the first JCI accreditation in 2015, the re-accreditation in 2018 and is currently the only teaching hospital in Vietnam with JCI recognition. With a vision to advance health care through research, the College of Health Sciences will also offer research opportunities in all our programs and provide a supportive research environment for our faculty and students. Taking advantage of being in the ecosystem of Vingroup with a number of technology and service oriented companies such as Vinpearl, VinHomes, VinFast, VinSmart, etc., the College will cooperate closely with these companies in research to create breakthrough technology & healthcare products and solutions.

Currently, the College offers undergraduate degree programs in Nursing and Medicine while there are three residency program offered in Internal Medicine, Surgery and Pediatrics. All of the health sciences programs are competency-based, developed with University of Pennsylvania's technical support. With UPenn's certified and validated curricula, world-class international and Vietnamese faculty members, modern pedagogical approaches, and infrastructure at the forefront of technology, we will prepare our students to become healthcare leaders, innovators and scientists with entrepreneurial mindset and as prospective agents of change in the future.

#### ABOUT VINUNIVERSITY

VinUniversity (VinUni: <https://vinuni.edu.vn/>) is the first private, not-for-profit Vietnamese university established based on international standards. The university integrates the models of excellent international universities with the unique cultural and economic characteristics of Vietnam, to make a breakthrough in Vietnamese higher education and to become a world-class university.

VinUni has strategic collaborations with the world's leading universities, including Cornell University and the University of Pennsylvania. These universities have become close advisors and crucial enablers in establishing the three colleges at VinUni: College of Business and Management, College of Engineering and Computer Science, and College of Health Sciences. Every aspect of the University: its curricula, research, faculty, student body, facilities, and campus life, is being developed to meet the highest standards set by the world's leading accrediting and ranking organizations, such as ABET, AACSB, Quacquarelli Symonds (QS) and Times Higher Education (THE).

VinUni's founding benefactor Vingroup is one of the biggest private conglomerates in Asia with the largest market capitalization value in Vietnam. As a multisector corporation, Vingroup focuses on three main areas: Technology; Industrials; and Property Services. VinUni is proud to be a part of the Vingroup ecosystem, giving its students opportunities to connect with several high quality research institutes (such as VinAI, VinBrain, and Vin BigData), pioneering industrial enterprises (such as
