Job Description

The University at Buffalo, Department of Ophthalmology and the Ross Eye Institute are currently recruiting a Cornea Specialist at the Clinical Assistant/Associate Professor level. Candidates must be BC/E. This position includes a well established outpatient base, protected academic time, teaching of medical students and residents, a new state-of-the-art facility, and excellent benefits. This position will include a large percentage of corneal surgery.

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.
