needs of the community. In addition to its downtown campus, Tulane Medical Center includes the Tulane Hospital for Women and Children campus in Metairie and the Lakeview Regional Medical Center campus in Covington.

Within walking distance of the French Quarter, The New Orleans hospital provides expert medical care for children and adults. Our doctors specialize in the routine care of infants, children, adolescents, and adults, providing a wide range of family care services.

Our mission is to provide world-class patient care, education and research.

EEO/AA Policy

Please Note: Tulane University has officially adopted a mandatory COVID-19 vaccination policy. All employees and visiting faculty must be fully vaccinated with a COVID-19 vaccination or obtain approval for a medical or religious exemption prior to beginning employment.

Tulane University is located in New Orleans - a city with tremendous history of diverse cultures, community, and languages. Tulane is actively building a campus culture grounded in our values of EDI and anti-racism. We seek and welcome candidate applications from historically underrepresented groups, such as BIPOC (Black, Indigenous, People of Color), women, LGBTQ+, and those living with disabilities as well as veterans.

Tulane University is an Equal Employment Opportunity/Affirmative Action institution committed to excellence through diversity. Tulane University will not discriminate based upon race, ethnicity, color, sex, religion, national origin, age, disability, genetic information, sexual orientation, gender identity or expression, pregnancy, marital status, military or veteran status, or any other status or classification protected by federal, state, or local law. All eligible candidates are encouraged to apply.
