Job Description

The Department of Neurology is recruiting for a Neuropsychologist to support the Department. This position will allow for the provision of outpatient therapeutic services and increased inpatient coverage. The faculty member in this position will report to the Chairman of the Department of Neurology.

The primary responsibilities for this position will be: participate in clinical teaching activities and provide direct or consultative neurological care for patients (adults and/or children) with neurological illness in outpatient and/or outreach clinics as negotiated with the Department Chair. In addition, this position will attend on the Neurology (adult and/or pediatric) inpatient ward and/or consultative services and/or provide coverage for other faculty, and acquire and improve skills in research and teaching pertinent to future leadership roles in Academic Medicine.

Please include a CV along with application. Applications will be reviewed immediately and continue until the position is filled.

The University of Kentucky considers the health, safety and well-being of our entire community to be a

top priority. In alignment with this priority, all new hires must provide proof of COVID-19 vaccination or obtain an approved medical or religious exemption as a condition of employment. For areas that fall under the federal CMS mandate, start of employment cannot occur until two weeks after receiving the full COVID-19 vaccination series or upon obtaining an approved exemption. Only vaccines approved by the World Health Organization can be accepted.
