Job Description

The University of Kentucky College of Medicine invites applications and seeks nominations for the position of Assistant Professor of Pediatrics. The successful candidate will also serve as a faculty member within the Allergy division of Pediatrics. The primary responsibilities of this position are to provide quality cost-effective care to children with allergy and immunology disorders and diseases at the Kentucky Children's Hospital and the Kentucky Clinic. In addition, the faculty member will participate in the education of our students, residents and extended medical community. The faculty member recruited to this position will develop clinical investigations/projects in a selected area of clinical Allergy Immunology.

The faculty member will be involved in medical student and resident programs. Excellent opportunities for research are available.
