- Opportunity to participate in multidisciplinary clinics including Spasticity, Muscular Dystrophy and Spina Bifida. Collaborating specialties include neurosurgery, urology, neurology, physical and occupational therapies
- Inpatient consultation for traumatic brain injury and other neurorehabilitation needs to be shared with other members of the team
- Calls taken at home
- Opportunity to perform Botox injections for pediatric patients in procedure area, under anesthesia
- Faculty appointment at the Jacobs School of Medicine provides vast opportunities for scholarly work, clinical education, growth and collaboration in a rich academic environment.

Those with special interests in research or medical education in pediatric PM&R are strongly encouraged to apply. New graduate and experienced physicians are welcome to apply. Leadership opportunities are available for qualified candidates.

UBMD Pediatrics is one of 18 practice plans within UBMD Physicians' Group, the single largest medical group in the area, and we are supported by 14 pediatric subspecialties. Our physicians also make up the academic teaching faculty within the Department of Pediatrics at the Jacobs School of Medicine and Biomedical Sciences at the University at Buffalo.

The Department is committed to a policy of nondiscrimination and equal opportunity for all persons regardless of race, national origin, gender identity, disability or religion. Further information about the Department and its research and educational missions is available at
