**Job Description**

This Division Chief position is needed in the Department of Pediatrics, Division of Psychology in order to achieve the goals and objectives of the Division, Department, and College in education, service, and research consistent with the mission of the University of Kentucky College of Medicine.

This Special Title Series position is required in order to maintain and expand the current activity of clinical services in the Department of Pediatrics, Division of Psychology. This position will primarily provide clinical psychological services to pediatric patients with a variety of medical conditions. This position will allocate time for clinical research and teaching in pediatric psychology. This position will also provide faculty resources to sustain and expand teaching, advising and other instructional activities for the Pediatric Residency programs and the College of Medicine medical students.
