- Pursuing research in relevant biomedical sciences and/or pedagogy, organizing and managing instructional resources, course outlines, and community networks.
- Supporting and expanding curricular development in pathology in conjunction with other basic medical science subjects and linking to clinical sciences.
- Actively seek out methods, procedures, and resources to best achieve course objectives.
- Support and participate in accreditation initiatives.
- Maintain relationships with students that are conducive to learning.
- Perform miscellaneous job-related duties as assigned.

Job Requirements:

- Basic medical degree (MBBS/MD).
- Earned Ph.D. Degree or a terminal clinical qualification (exit degree) in Pathology from an accredited institution.
- Board-certified in general/specialized Pathology and eligible for registration and licensing as a clinical practitioner in the UAE.
- Displays evidence of ability to teach in one or more of the following areas: Histopathology, Surgical/Anatomical Pathology, or Chemical Pathology.
- Previous experience teaching in an integrated systems-based curriculum.
- It is highly desirable to have previous involvement in Problem-Based Learning (PBL) and Team-Based Learning (TBL) educational processes (e.g., development, tutor-guide preparation, facilitation, and assessment).
- The candidate must be able to communicate in English.
- Advanced use of technology in the education process (delivering classes via presentations, using e-learning systems, reports, etc.).

Skills Required:

- Ability to communicate effectively in English orally and in writing.
- Dedication to continued professional development and scholarship.
- Engaging in scholarly work that is of very high quality, as evidenced by external peer review.
- Exhibit strong pedagogic skills and remain proficient and current in their disciplines.
- Ability to develop and lead high-quality research.
- Ability to provide academic advising for students.
