Job Description

As a part of a diverse community of faculty and staff who represent many faith systems and worldviews, Marian University seeks a Staff Psychologist to promote our Catholic Franciscan mission and identity by delivering excellence in mental healthcare services to Marian University's diverse student body to support students in reaching their personal and academic goals.

The Staff Psychologist performs all functions of a campus comprehensive counseling center team member. Such roles include providing traditional forms of psychotherapy (individual/group), engaging with the campus community via outreach and consultation services around mental health concerns, and facilitating training/supervision for doctoral level students in psychology.

The CCS staff is a highly invested team of mental health professionals that value inclusivity,
