Job Description

The Department of Neurology is seeking a neuro-oncologist who will be primarily research related and working at the Markey Cancer Center.

This position will also provide supervision for residents and medical students in all settings. The Assistant Professor will participate in clinical research and other administrative activities as approved by the Chair, and serve on appropriate Department, College, Hospital, or University committees.

Please include a CV when applying for position. Applications will be reviewed immediately and continue until the position is filled.
