The Jacobs School of Medicine and Biomedical Sciences is expanding research programs and looks to the next Division Chief of Geriatrics and Palliative Medicine:

- To advance scholarly activity within the division
- To build an extramurally funded research program in basic, translational, or clinical research
- To expand clinical trials within the Division and with our clinical partners

As a clinical leader in UBMD Internal Medicine, he/she will work with the administrative and physician leaders of UB's affiliated hospitals on operations improvement, program and facilities development, quality/safety, and strategic planning.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness.
