- Oversee education of medical students, residents, and fellows in gastroenterology
- Expand research activities of the Division

The Jacobs School of Medicine and Biomedical Sciences is expanding research programs and looks to the next Division Chief of GI:

- To advance scholarly activity within the division
- To build an extramurally funded research program in basic, translational, or clinical research
- To expand clinical trials within the Division and with our clinical partners

As a clinical leader in UBMD Internal Medicine, he/she will work with the administrative and physician leaders of UB's affiliated hospitals on operations improvement, program and facilities development, quality/safety, and strategic planning.

### **Outstanding Benefits Package**

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness. Visit our benefits website to learn about our [benefit packages](#).

### **About The University at Buffalo**

The University at Buffalo (UB) #ubuffalo is one of America's leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact.
