Job Description

The University of Kentucky College of Medicine is seeking an Assistant Professor in Neurology who will provide care for patients (adults and/or children) with general neurological illnesses.

Responsibilities may be adjusted when on attending physician on the inpatient services. The inpatient services can include stroke, Neurology, and other inpatient services or outreach facilities.

This position will also provide supervision for residents and medical students in all clinical settings (inpatient and outpatient). The Assistant Professor will also participate in clinical research and other administrative activities as approved by the Chair, and serve on appropriate Department, College, Hospital, or University committees.

Please include a CV when applying for position. Applications will be reviewed immediately and continue until the position is filled.
