Job Description	

The Division of Basic Biomedical Sciences at the University of South Dakota's Sanford School of Medicine invites applications for a tenure-track faculty position at the Assistant Professor level.

Our Division has strengths in Neuroscience, Cardiovascular Science, Protein Quality Control, Cancer Biology and Microbiology/Immunology. The applicant must have a Ph.D., M.D., or M.D./Ph.D. and two years of post-doctoral experience. We seek an energetic and collaborative individual that will interact with faculty within the Division of Basic Biomedical Sciences (<https://www.usd.edu/medicine/basic-biomedical-sciences>).

The applicant should demonstrate strong potential for developing an innovative, independent, and translational research program that has or is likely to attract significant extramural funding and have experience in teaching **Systems Physiology**. In addition, the applicant should demonstrate a commitment to mentoring and teaching graduate, health sciences and/or medical students. Excellent start-up funds, state-funded salary commensurate with experience and state-of-the-art research facilities in the Lee Medical Science Building will be provided. The application should include a
