**Job Description**

The University of Kentucky College of Medicine Department of Neuroscience is seeking an outstanding PhD, MD, or MD/PhD candidate to fill a tenure-track, full-time faculty position in the area of translational neuroscience. The position is within the Regular Titles Series at the assistant/associate/full professor level. We are especially interested in collaborative, translational neuroscientists with expertise in cutting-edge neuroimaging methods and their application to the development of novel biomarkers of neurodegenerative diseases. The candidate should also have a strong commitment to teaching and mentoring students. The primary responsibilities will research, teaching, mentoring and service to the Department and College.

Interested individuals should send a curriculum vitae, three references, examples of journal papers (Writing Sample) and statement of research interests (Specific Request 1). If offered this position, you
