Associate, or Full Professor in the Division of Endocrinology/Diabetes. The ideal candidate will hold a medical degree and be board certified in both pediatrics and pediatric endocrinology.

The candidate will provide clinical care for children and young adults with endocrine disorders and both Type 1 and Type 2 diabetes. This position includes inpatient clinical duties, and outpatient care in our newly remodeled dedicated outpatient center as well as satellite clinics in the Western New York region. Additionally, you will contribute to the education and training of medical students, residents, and fellows through didactic teaching, clinical supervision, and mentorship. Interest in quality improvement and clinical research is encouraged.

The Division of Pediatric Endocrinology/Diabetes is a busy practice with 6 BC Pediatric Endocrinologists and an ACGME accredited fellowship program. The division sees approximately 8,000 patients per year. Our division is recognized for strong clinical research.

UBMD Pediatrics is one of 18 practice plans within UBMD Physicians' Group, the single largest medical group in Western New York. We provide premier health care to infants, children, adolescents and adults. In addition to primary care pediatrics, we have 14 pediatric subspecialties. Our physicians make up the academic teaching faculty within the Department of Pediatrics at the Jacobs School of Medicine and Biomedical Sciences at the University of Buffalo and at Oshei Children's Hospital. For more information regarding UBMD Pediatrics, please visit www.UBMDPediatrics.com.

About the Buffalo/Niagara region

Buffalo is the second-largest city in New York State and is located on the shores of Lake Erie, upriver of the majestic Niagara Falls. Buffalo - the City of Good Neighbors - is a city that features world-class art galleries and museums (American Style ranked Buffalo as the #1 arts destination for all mid-size cities), impressive architecture, major and minor league sports teams, and a wonderful series of parks and outdoor recreation areas. Buffalo has a vibrant downtown with an abundance of restaurants for every palette, and is an entertainment central. Buffalo is home to iconic historical landmarks, diverse attractions, and hosts many annual cultural events including the Juneteenth Festival, Festival of India, Egyptian Festival, Northwest Jazz Festival, and others. Buffalo is close to two significant wine growing regions-Niagara Escarpment and the Finger Lakes region. In addition, the Adirondack Mountains are half-a-day's drive from Buffalo. Rich in natural resources and beauty, the Buffalo Niagara area is a four-season region that offers the best for seasonal sports enthusiasts. These features along with the economic and cultural revitalization being experienced by the city and surrounding region and its affordability, make the region highly attractive as evidenced by Buffalo's top rankings in multiple categories as a place to live. Additional information about the area can be found at https://medicine.buffalo.edu/about/about_buffalo.html
