Job Description

The successful candidate will play a pivotal role in providing pediatric clinical care while leveraging data-driven decision-making to enhance outcomes in pediatric healthcare analytics. This position offers excellent opportunities for conducting impactful research, contributing to advancements in pediatric medicine. We invite applicants to submit a comprehensive curriculum vitae and a detailed cover letter outlining their qualifications and interest in the role. Applications will be reviewed on a rolling basis, with the process continuing until the position is filled.

Required Education

PhD, MD/DO, or MD/DO & PhD degree
