Job Description

Tulane University School of Medicine Department of Dermatology is recruiting a board eligible/board certified Dermatologist for full-time employment. Responsibilities include direct patient care and supervision of residents/medical students.

We have a very active faculty practice as well as an active Residency Program, a clinical fellow and a Clinical Research Unit. Tulane offers a unique opportunity to participate in clinical research with numerous ongoing clinical trials and opportunities to participate in other trials. Take this opportunity to develop and grow in an academic and clinical environment and contribute to the rewarding world of Dermatology by educating residents and medical students, developing as a physician scientist and giving back to the specialty, and to the community. Enjoy a fun lively community environment.
