- devices and conduction system pacing
  - Expertise in the performance of advanced cardiac ablation procedures
- The incumbent will be expected to conduct clinical research; provide patient care; teach fellows, residents, and medical students; and perform public and University service. Excellent teaching is an essential criterion for appointment to this position.

There is the potential to have clinical duties at both the Buffalo General Medical Center/Gates Vascular Institute as well as the Western New York VA Medical Center.

### **About The University at Buffalo**

The University at Buffalo (UB) is a research-intensive institution, the largest and most comprehensive of the campuses of the State University of New York (SUNY) with over 30,000 students and full-time 1,600 faculty. Opportunities exist for interdisciplinary collaboration both within JSMB-S-Department of Medicine and UB and with other outstanding research centers in the region. As the flagship university in the SUNY system, UB is ranked in the top 35 public universities by U.S. News and World Reports and has been a member of the elite Association of American Universities (AAU) for over 25 years. The University has a comprehensive equity, diversity and inclusion strategic plan and leadership dedicated to actualizing this plan at the vice-provost level and across all schools. It is launching a focused effort to hire more diverse faculty representation.

### **About Buffalo**

Buffalo is the second-largest city in New York State and is located in the western region on the shores of Lake Erie, upriver of the majestic Niagara Falls. Western New York is an ideal place to live and work. Buffalo - the City of Good Neighbors - is a big city with a rapidly growing economy, vital academic health sciences center, outstanding public schools, and modest cost of living. Buffalo-Niagara, a region of 1.2 million people, is home to world-class art galleries and museums, a comprehensive citywide system of parks and green space designed by renowned landscape architect Frederick Law Olmsted, a vibrant theater and music community, and major and minor league sports teams. These are just a few of the wide array of cultural and recreational elements that make Buffalo a great place to work, study and live. For more information, visit the [website](#).

University at Buffalo is an affirmative action equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.
