Job Description

The Department of Urology is currently recruiting a clinical provider to enhance clinical practice at the University of Kentucky. The individual in this position is expected to provide, develop and maintain clinical services as well as develop academic pursuits in the field of Urology. The University of Kentucky serves as both a tertiary care center for patients with complex Urology illnesses and also as a local/regional referral center for patients within our community and surrounding areas. This position is necessary to provide teaching and training Urology residents/medical students.
