Job Description

The Department of Pathology and Laboratory Medicine at the University of Kentucky is recruiting a board certified surgical pathologist. Fellowship training or strong interest in breast and/or pulmonary pathology is preferred. The successful candidate would join an academic hospital-based practice and engage primarily in anatomic pathology subspecialty clinical service and teaching duties. Interested applicants are also encouraged to participate in an active research program appropriate to title series and rank.

The department (<http://pathology.med.uky.edu>) is an integrated department of pathology with successful programs in anatomic and clinical pathology, a vibrant educational program for medical students, residents and fellows as well as a nationally-recognized research program in neuropathology and research affiliations with the Markey Cancer Center. There is a strong institutional commitment to

maintain and enhance research and clinical excellence within the Department of Pathology and Laboratory Medicine.

This position affords an excellent career opportunity in a vibrant and growing academic healthcare center with six healthcare colleges. The university is located in Lexington, Kentucky, a family-friendly dynamic medium-sized city with excellent schools, housing, cultural opportunities and outdoor activities (<http://www.visitlex.com/>).

Upon offer of employment, successful applicants for certain positions must pass a pre-employment drug screen and undergo a national background check as required by University of Kentucky Human Resources.

Applications should include an up to date curriculum vitae. For “Specific Request 1”, please upload a cover letter. Questions may be directed to C. Darrell Jennings, MD, Professor and Chairman, via email at mhollan@uky.edu
