Job Description

The Department of Internal Medicine at the University of Kentucky is seeking a faculty member to primarily focus upon the care of patients with cardiovascular diseases with focus on cardio-oncology within the Division of Cardiovascular Medicine at the University of Kentucky Medical Center. This position will also have regular assignments in the faculty rotations to cover inpatient services (CCU, consult, floor) and ambulatory cardiology clinics. Most off of these activities will include clinical care teaching activities with medical students, residents and fellows.

Professional Development activities such as attending continuing education meetings, workshops, lectures, and other activities will be necessary to participate in the various missions of the Department, the College, and the University.
