Job Description

The Department of Obstetrics and Gynecology at the University of Kentucky, is seeking a Board Certified/Board Eligible physician to join the General Obstetrics-Gynecology Division for a full-time faculty position in Lexington, KY. Responsibilities of this position include inpatient and outpatient case management, gynecological surgery, labor and delivery coverage, and participation in teaching activities with residents, interns and medical students. Development and participation in research activities and involvement in hospital and university committees is strongly encouraged.

Special interest in such as Comprehensive Women's Health, Maternity Care, midlife health, or pediatric and adolescent gynecology is sought. Experience in teaching and supervising medical students and resident physicians is desirable. Applicants should also have an interest in clinical care and research. A competitive salary and benefits package is being offered.

Please include a CV along with application. Applications will be reviewed immediately and continue
