Job Description

The University of Kentucky is seeking a faculty member to provide pediatric Gastroenterology services at the University of Kentucky Medical Center, Kentucky Children's Hospital, and outreach locations through joint clinical services agreements with the department of Pediatrics and facilities primarily located in Eastern Kentucky.

This position will be responsible for providing clinical services in the clinics, inpatient service, and the on-call service. In addition, this position will provide teaching services to the Department's courses and with resident training.

The faculty member will also collaborate on research activities for clinical projects and care reports, as well as participate in professional development activities such as regional, state, and national meetings.

The Kentucky Children's Hospital has Eastern and Central Kentucky's only Level I pediatric trauma center, Level IV newborn (neonatal) intensive care unit and pediatric intensive care unit. In addition, this facility houses more than 30 advanced sub-specialty programs, such as pediatric oncology and pediatric surgery.

To apply, please include a CV and cover letter along with application. Rank will be determined based on qualifications for the position. Applications will be reviewed immediately and will continue until filled.
