Job Description	

This Clinical Title Series position is needed in order to maintain and expand the current activity of clinical services in the Department of Pediatrics, Division of Psychology. This position will primarily provide clinical psychological services to pediatric patients with a variety of medical conditions and their families. This position will allocate time for clinical research and teaching in pediatric psychology. This position will also provide faculty resources to sustain and expand teaching, advising and other instructional activities for the Pediatric Residency programs and the College of Medicine medical students. This position will be housed in the Division of Psychology for the Department of Pediatrics
