Job Description

The Division of Plastic Surgery, Section of Dermatology, at the University of Kentucky College of Medicine is seeking a full time faculty member as the Assistant, Associate or Professor level. The successful candidate must be committed to teaching, scholarly activity, and excellence in clinical care. Academic track and tenure status is dependent upon the candidate's experience and qualifications.

This position will provide patient care, within both the outpatient and hospital locations, as well as provide direct support to the hand surgery service. This position will have an active role within the graduate and fellowship training programs, as well as be expected to lecture, participate in small group and individual student instruction, and additional outreach activities.

The Division of Plastic Surgery at the University of Kentucky is a division unit within the Department of Surgery, UK College of Medicine. Practice locations include University of Kentucky Chandler Medical
