Markey Cancer Center through various roles including development and supervision of clinical protocols, accrual of patients and participation in regulatory oversight programs for clinical research. The University of Kentucky Medical Center is a premier research institution in the Commonwealth serving a wide geographic area, treating patients from throughout Kentucky, Tennessee, West Virginia, and beyond, providing the opportunity for large practice growth with the Markey Cancer Center being the only NCI-designated Cancer Center in Kentucky and ranked in the 2022 U.S. News and World Report top 50 cancer hospitals.

The faculty member will represent the University of Kentucky in a professional manner as an active member of the medical staff. These responsibilities include active participation in medical staff affairs, adherence to evidence based practice standards and a strong commitment to high standards of customer service.

Please include a CV when applying to this position. Applications will be reviewed immediately and continue until the position is filled.
