Job Description

The University of Kentucky College of Medicine is currently seeking a Assistant, Associate, or Professor within the division of Rheumatology, in the Department of Internal Medicine. The search is being conducted at open rank and this position will act as an attending physician for Rheumatology.

Position Duties Include:

Provide clinical care for patients while supervising residents in ambulatory and hospital-based settings.

- Participate in clinical teaching activities within the Division of Rheumatology, as negotiated between the Division Chief and the individual faculty member. These activities may include instruction of students, residents, and fellows in ambulatory and inpatient clinical settings, as well as, instruction in lectures, seminars and clinical conferences.

Support the clinical research mission of the Division through various roles including development and supervision of clinical protocols, accrual of patients to clinical trials, and participation in regulatory oversight programs for clinical research.

Represent the University of Kentucky in a professional manner as an active member of the medical staff.

- These responsibilities include active participation in medical staff affairs; adherence to evidence based practice standards; and a strong commitment to high standards of customer service.

Serve on appropriate Division, Department, University, Hospital and College committees as assigned by the Division Chief.

In addition to the completion of this application, please include an up-to-date Curriculum Vita. Applications will be reviewed immediately and will continue until the position is filled.
